RAEN

with Carlo Mondavi & Michelle Schromm

Wednesday, March 2nd, 4PM - 7PM

Join us on Wednesday, March 2nd in welcoming wine scion, Carlo Mondavi Vintner & Co-Founder of RAEN Winery & Michelle Schromm, Director of Customer Relations, to our wine bar, for a vertical flight of Royal St. Robert Pinot Noir and a special preview of Charles Ranch Chardonnay.

California's winemaking history is steeped in the Mondavi name. Following the unexpected sale of the family business, Robert Mondavi's son and daughter, Tim and Marcia—wanting to continue the family legacy in wine—launched Continuum Estate which produces a single, ultra-premium wine, crafted from a very specific and prime hillside site in Napa Valley. Among all the consolidation and expansion of brands (wine, food, clothes, electronics, etc...) the artisanal approach is one that we can't help but respect and admire. In 2013 Tim's sons, Carlo and Dante Mondavi, followed in their dad's footsteps with the creation of RAEN Wine (which is an acronym for Research, Agriculture, Enology, Naturally), aimed at producing world-class Pinot Noir from three unique sites rooted in the rugged, remote terrain of the Sonoma Coast.

It is a great pleasure to welcome Carlo to the wine bar. He is as dynamic, approachable and knowledgeable as his grandfather and father! As for the wines...RAEN Pinot Noir made us stand up and take notice right from the beginning. It is not surprising that they have pedigree, authenticity and have become wines that we are proud to represent every year.
