PRESTON FARM & WINERY

with **KEN BLAIR**

WEDNESDAY, APRIL 5, 2023 • 4PM - 7PM

Founded in 1975, Preston Farm and Winery is a family-operated, organic property in Healdsburg's Dry Creek Valley. The 125 acres are nestled between a meandering salmon-spawning stream and a sleepy stretch of former wagon trail leading to town. Under the Preston family's stewardship over the last 45 years, the property has evolved from an emphasis on wine alone to diversified crops, including vineyards, vegetables, fruit and olive trees, grain, and pastured livestock.

Dry Creek Valley has a long and rich history of grape growing and wine production that reaches back to the late 1800s, when local immigrant families settled there to forge new lives and develop new communities. This vibrant stretch of Sonoma County has a deep, personal and survivalist side, reflected in the quest of its farmers to eke out a living from the soil; inventive adaptations to the rigors of Prohibition, and the cache of contemporary winemakers who blaze new trails in this evolving AVA.

Join us for what promises to be an enjoyable start to your evening with a flight of five current releases presented by Ken Blair, Sales Director at Preston Farm & Winery.
