SATURDAY, APRIL 25, 2026 • 11AM - 2PM

Spanish wine has so much to offer, from delicious and inexpensive bottles for every day of the week to some of the most age-worthy and renowned wines of the world. Since Spain is a peninsula and the climate varies widely from region to region, we wanted to show the diversity of Spain. Our very own Ferry Godmother, Debbie Zachareas, will take you on a "tour" of Spain: from the effervescence of Cava to a crisp, bright white wine to a lighter-style red wine and a classic, richly textured red—Spanish wines have it all! Explore with us and discover for yourself with our exciting line-up of Spanish wines. Plus, as an added bonus to this special flight, we will be offering a special snack plate of tasty bites, designed to showcase Spain's diverse culinary culture, matched with regional wines. ¡Salud!
