ARNOT-ROBERTS

with **NATHAN ROBERTS**
WEDNESDAY, MAY 8, 2024 • 4PM - 7PM

The Arnot-Roberts production started out very small when Duncan Arnot Meyers and Nathan Lee Roberts founded Arnot-Roberts in 2001. They have grown slowly over two decades, but they prefer to keep production low so that they can focus on small lots. They are a two-person operation and are true artisan winemakers striving for purity, balance, lower alcohol and elegance in their wines. They start with excellent quality fruit, follow their own palates and choose to work with responsible, passionate growers and long-established, cooler climate vineyard sites in Napa, Sonoma, Santa Cruz and Lake Counties.

Duncan and Nathan grew up in Napa Valley, met on the first day of third grade, went through Cub Scouts together, graduated in tandem from Vintage High School; and have gone on to become one of the most heralded and admired producers to come along in

California in years. In 2013, they were recognized as “Winemakers of the Year” by the San Francisco Chronicle.

This truly will be a rare opportunity to taste these lovely wines and meet the Roberts half of Arnot-Roberts!
