

FLIGHT NIGHT FEATURING:

MARINE LAYER

W I N E S

WITH **ROB FISCHER**

WEDNESDAY, JUNE 17, 2026 • 4PM - 7PM

We invite you to explore a thoughtful lineup of Marine Layer's coastal California wines. Known for their focus on vineyard expression and minimal-intervention winemaking, Marine Layer captures the nuance and energy of cool-climate sites along the Pacific.

Marine Layer is the longtime dream of visionary Baron Ziegler, brought to life through years of friendship and collaboration with Rob Fischer. Together, they set out to create a Sonoma Coast-focused brand sourced exclusively from some of the region's finest vineyards. The result is a collection of elegant, approachable wines shaped by discovery, precision, and creativity.

Inspired by the thick marine fog that rolls in from the Pacific, Marine Layer celebrates the distinctive character of the Sonoma Coast—where cool temperatures and challenging growing conditions lead to longer hang time, bright acidity, nuanced flavors, and beautifully balanced wines. With an artisanal approach rooted in sustainable farming, heritage clones, hand-harvesting, and a deep commitment to quality, these wines are made to be explored and enjoyed.

Winemaker Rob Fischer will be on hand to share insights into the vineyards, vintages, and philosophy behind the wines, offering a deeper look into what makes this project so compelling. Whether you are already familiar with Marine Layer or discovering them for the first time, this is a wonderful opportunity to taste, learn, and connect.

We look forward to welcoming you.

The flight wines are served as two-ounce pours & 5-oz glasses.
