# CHAPPELLET

with Amy & Dominic Chappellet

Wednesday, June 30th, 4PM - 7PM

For five decades, the Chappellet family has been crafting world-class wines from fruit cultivated on the steep, rocky slopes of Napa Valley's renowned Pritchard Hill. As one of the first wineries to pioneer high-elevation hillside planting, and one of the few remaining great family-owned Napa Valley wineries, Chappellet Vineyard has influenced generations of vintners. Throughout its history, Chappellet has also established an enduring legacy as one of California's most acclaimed producers of Cabernet Sauvignon.

Since being founded by Donn and Molly in 1967, Chappellet has earned acclaim championing the robust power and complexity of wines crafted from mountain grapes. At the same time, Chappellet has helped to establish Pritchard Hill as one of California's most revered winegrowing sites. To honor the mountain's rich, expressive character, the winemaking team focuses on creating extraordinary, age-worthy Cabernet Sauvignons that embody the intensity and finesse of fruit from Pritchard Hill.

We are thrilled to have Amy Chappellet to walk you through these limited production wines. Though focused on crafting benchmark Cabernet Sauvignon, the Chappellet portfolio also includes exceptional Chardonnay, Chenin Blanc, Pinot Noir and Cabernet Franc. While consistently setting the standard for mountain-grown wines, Chappellet has earned a devoted following from many of the world's premier collectors—ourselves included! Come experience for yourself, the signature mix of grandeur, power and purity in these sought-after bottlings.
