# AUSTRIAN WINE

WITH **DEBBIE ZACHAREAS**

WEDNESDAY, AUGUST 6, 2025 • 4PM - 7PM

Join us for this special comparative Grüner tasting led by our very own Debbie Zachareas. We are showing 4 different styles and regions of Grüner Veltliner—the grape that accounts for over 30% of all wine grown in Austria. It is Debbie's personal passion to show the styles and versatility of this diverse grape. Plus, as an added bonus, we have incorporated a truly GREAT Riesling to finish the flight.

Austria is considered by many to be one of the best-kept wine secrets in Europe; and for the last few decades it has been very much in the shadow of neighbors Germany and Italy when it comes to recognition for its wines. But Austria has an incredibly long and fruitful history of winemaking, with evidence suggesting that vines were in existence in Austria more than 60 million years ago and were also cultivated by the Celts and the Romans. Best known for its crisp and refreshing white wines made from Grüner Veltliner and Riesling, these wines are perfect summertime styles.
