Mark Ryan
WINERY

with **MARK RYAN**

WEDNESDAY, SEPTEMBER 21, 2022 • 4PM - 7PM

Mark Ryan started making wines in friends' garages in 1999. Largely self-taught, he combined his own studies with the advice of experienced wine producers. After 4 years of transient winemaking, he settled in Woodinville, Washington. Head winemaker Mike Macmorran made his first foray into wine while on a break from medical school. Instantly hooked, he decided to apply his deep knowledge of chemistry and biology to oenology instead. Building upon Mark's foundation, Mike uses his skills to home in on the best barrels and yeast strains to craft their wines, while focusing on reflecting the unique characteristics of each of their vineyard sites. We are such fans of Mark Ryan wines that we have featured a couple of them in our Wine Club over the years.

Meet Mark. Try five of his celebrated Washington State wines, and learn from the man himself about the production, vineyards and story behind them!

The Philosophy: Always be authentic. Enjoy the ride. Surround yourself with good people. Invest in community—all boats will rise in the tide. Be vigilant. Give people our best. Maintain a ridiculous commitment to quality.
