# Aperture

WITH **SKYLAR SALTZ**

WEDNESDAY, SEPTEMBER 24, 2025 · 4PM - 7PM

Aperture Cellars was founded in 2009 by winemaker Jesse Katz with the goal of producing Bordeaux-style wines in Sonoma County, inspired by his childhood travels with renowned photographer father, Andy Katz. Katz established the winery to blend old world elegance with new world fruit, using cool-climate vineyards and state-of-the-art technology. The brand's unique identity is completed by original photographs by Andy Katz, featured on every wine bottle. The Aperture Estate, with its own modern winery and hospitality center, opened in Healdsburg in 2020, located on a historic vineyard site with vines dating back to 1912.
