MOUNTAIN VINEYARDS

WITH **STEVE PRIDE**

WEDNESDAY, OCTOBER 29, 2025 • 4PM - 7PM

At an elevation of 2,100 feet along the Mayacamas Mountain Range, Pride Mountain Vineyards is the only winery we know of that has the Napa/Sonoma County line running right through the property. Thus, this one-of-a-kind winery offers wines with both Napa and Sonoma on their labels, as the fruit from their vineyard is literally sourced from the adjacent counties. The property dates back to 1872, Jim and Carolyn Pride bought it in 1990 intending to retire while continuing to farm and sell grapes. As fate would have it, the quality was so outstanding that the Prides decided to create their own wine.

Debbie met the Prides in the 1990s and has been selling their wine ever since. Their Merlot was the darling of the winery, and it has still triumphed as the same, world-class wine more than 25 vintages later. Fans couldn't get enough of their stunning Cabernet Franc at that time either—and that was when it wasn't allocated—in the good old days. While their Cabernet Sauvignon has always reigned supreme, their Chardonnay has also stood the test of time longer than most as a striking, high-elevation, white wine. Steve always draws a great crowd and is excited to tell us anything we want to know about his delicious, wonderfully balanced, age-worthy wines from his gorgeous mountaintop estate.
