ORIGINAL PATTERN BREWING

FRIDAY FEBRUARY 28, 2025 • 3PM - 7PM

Original Pattern Brewing Co. is an award-winning, employee-owned brewery and tasting room proudly located in Oakland, California producing anywhere from 8,500-10,000 barrels in our humble system comprised of six eighty-barrel and six sixty-barrel tanks. With one of the largest NZ hop contracts on the west coast we frequently showcase a range of unique and hard to get New Zealand hops. We love all styles of beer and always offer a diverse selection of package and draft beer.
